

Dear Parents:

We've got the solution to summertime boredom...

Send your kids to Power Lab, where they'll discover Jesus' miraculous power!

This is the spot that's oozing with Bible adventures.

This summer let's transform our church into a bubbling science lab. Be a part of the vacation Bible school at Epiphany June 16-20. We're praying this awesome VBS program will touch children's hearts and lives with God's love. Help kids in our community discover that Jesus gives us the power:

- to be thankful
- to help others
- to be brave
- to live forever
- to tell others about God.

Each day your children will take part in fun Bible learning with Bible Point crafts, games, lively music, and tasty treats. Daily challenges and a mission project are just a few of the Power Lab activities that help faith flow into real life. Since everything is hands-on, kids might get a little messy. Be sure to send them in play clothes and safe shoes.

So mark these dates on your calendar: **June 16-20, 2008**. The fun starts at 9:00 and will end at noon. Join us for the Faith Fusion Finale at 11:35 each day in the gym to see what we have been up to! On Thursday evening we will have a family fun night where the children can share what they have learned.

Of course it takes dozens of volunteers to provide such a fabulous experience. High school students can serve as crew leaders or as station leaders. Middle school students may volunteer if their parents are also volunteering. Please review the many opportunities and see how you can help. Nursery care is provided for children of volunteers. All adult volunteers (age 18) must complete a background check and VIRTUS training and sign a Code of Conduct.

Please complete the registration form, enclose a check and return it to Sue Linville in the parish office. Mail to 1900 111th Ave. NW, Coon Rapids, MN 55433. Sonic Sing and Play music CDs are available for purchase on the same form. Registration is open to children 4 years old through those completing fifth grade. **All registrations must be turned in and paid by May 23.**

Questions? Just give me a call.
