

## Vacation Bible School Volunteer Opportunities

**Station Leaders:** Use easy-to-follow leader manuals and prepare one 20-minute session each day. Repeat that session as you lead children in crafts and missions, games, video adventure and discussion, snacks, hands-on Bible discovery, daily closing show, or PowerPoint drama.

**Lab Crew Leaders:** Shepherd a group of 5-7 elementary children through each day's activities. No preparation!

**Lab Crew Leaders for preschoolers:** Be a friend and helper to a group of 5 preschool children...again, with no preparation!

**Nursery Coordinator and nursery caregivers:** care for the children (younger than 4) of other volunteers during Power Lab. Would you prefer babies and toddlers or preschoolers ages 2-3?

**First Aider:** Be our health office attendant. Some training preferred.

**Family Night hospitality:** Serve refreshments on Thursday night and help with clean up.

Still don't see something that interests you? We'd also love to have a...

- set up and tear down team
- registration team
- decorating team
- publicity coordinator

VIRTUS training will be available on May 5, May 21 or June 2.

Power Lab training will be May 27, June 4 or June 11.

Thanks much!

**Power Lab Volunteer Nursery Registration**

If you are volunteering at Epiphany's Vacation Bible School, we will provide nurturing care for your children who are too young to participate in Power Lab. Please indicate your child's age as of June 16<sup>th</sup>. Be sure to note any special needs. Please provide a non-spill cup or bottle if your child is not able to drink from a paper cup. Should your child require diapering, we will contact you to come to the nursery. Please apply sunscreen before drop off and bring a hat if you want your child to wear one outside.
