The minutes were approved with no changes.

**3. Ministry Fair – November 12-13, 2011**

Discussion regarding the benefits of the Ministry Fair and whether we should have one this fall. The weekend of 11/12-13 has been reserved for it. The group decided we should have it, and Mary Beth will take this to the Parish Council to see if we can find a volunteer to oversee it.

A suggestion from the Education Committee for the next Ministry Fair is to encompass all Educational opportunities into one area. (Staffing all the different areas for the weekend is difficult)

Suggestions for other ways to introduce ministries to Parishioners:

Spend time training ministry and group leaders to promote

Have several ministries at a time hosting hospitality after Masses

Offer a special ministry presentation for after LifeTeen Mass

Explore ways to follow up on responses from Parishioners in their desire to serve a ministry

A webcast with Fr. Carlson regarding a gift assessment accessible via Epiphany's website (Terri)
