6. Spiritual Fitness
A discussion was held regarding “What Spiritual Fitness looks like?” Some of the questions/comments that came from this discussion included:
 - How engaged are we in our faith?
 - It’s a personal issue.
 - It’s a call to discipleship.
 - Need to access where we are.
 - How do we create an environment that says “all are welcome” and that invites parishioners to deepen their walk?
 - Need to move forward keeping in mind that everyone is at a different place in their spiritual journey,
 - The quality of our presentation will be important.

What will the vehicles of presentation be and how will we touch the largest groups of people to see it as a personal invitation?

Self evaluation.

This cannot end at Epiphany's 50th anniversary – it needs to continue.

7. Next meeting

The next meeting is Wednesday, February 9th, at 7 p.m. in the Notre Dame conference room.
