Join more than 400 Epiphany families by making your 2011 stewardship gift using our Simplified Giving Program

What are the benefits of Simplified Giving?

- * Your stewardship covenant commitment is moved into action.
- * You determine the frequency of your gifts — weekly, semi-monthly or monthly.
- * You no longer need to write checks, saving you time and bank fees.
- * You can easily increase or decrease your contribution amount at any time.
- * Your gift is given consistently even when you are on vacation or attending Mass at another church.
- * Epiphany will continue to record your gifts and provide statements reflecting your contributions.

What is Simplified Giving?

Simplified Giving is an opportunity to give your gifts of treasure to Epiphany Church. It is completely confidential and is withdrawn automatically from your checking or savings account.

How does it work?

Funds in the amount you specify are withdrawn from your checking or savings account according to your authorization form. Epiphany cannot change the amount or the frequency without your written consent and you may cancel at any time.

Epiphany has used automatic withdrawal for payment of school tuition and Sunday giving for many years. This program is optional. Whether you participate in Simplified Giving or not, we will continue to send you monthly envelopes unless you mark the appropriate box on the reverse side of this form. For those that wish to continue to receive envelopes when using the Simplified Giving, there is a box on the envelopes you may mark to indicate that you give electronically. Then provide the envelope in the collection basket. If you have questions or concerns please contact the parish office at 763.862.4343.
