

## ***Join our Epiphany families by making your financial gift using Automatic Withdrawal***

### **What are the benefits of Automatic Withdrawal?**

- Your financial stewardship covenant commitment is moved into action.
- You determine the frequency of your financial gifts — weekly, semi-monthly or monthly.
- You no longer need to write checks, saving you time and bank fees.
- You can easily increase or decrease your contribution amount at any time.
- Your gift is given consistently even when you are on vacation or attending Mass at another church.
- Epiphany will continue to record your gifts and provide statements reflecting your contributions.

### **How does it work?**

Funds in the amount you specify are withdrawn from your checking or savings account according to your authorization form. Epiphany cannot change the amount or the frequency without your written consent and you may cancel at any time.

Epiphany has used automatic withdrawal for payment of school tuition and Sunday giving for many years. This program is optional. Whether you participate in Automatic Withdrawal or not, we will continue to send you monthly envelopes unless you mark the appropriate box on the reverse side of this form. For those that wish to continue to receive envelopes when using Automatic Withdrawal, there is a box on the envelopes you may mark to indicate that you give electronically. Then place the envelope in the collection basket. If you have questions or concerns please contact Accounting at 763.862.4343.
